Prospective authors are invited to submit original and high-quality papers for presentation at ICC 2004 and publication in its Conference Record. The technical program will be organized as a set of 9 symposia covering all aspects of communications and networking. Authors must indicate for which symposium their paper is being submitted. The list of symposia is:

- **Communication Theory**
  Chair: M. Win
  Vice-Chair: S. Kaiser

- **Signal Processing in Communications**
  Chair: J. Elmirghani
  Vice-Chair: N. Ohta

- **Wireless Communications**
  Co-Chairs: M. Chiani, M. Guizani

- **Wireless Networks**
  Chair: I. Habib
  Vice-Chairs: F. Vatalaro and R. Fantacci

- **Optical Networking**
  Chair: H. Mouftah
  Vice-Chair: M. Hamdi

- **High-Speed Networks**
  Co-Chairs: M. Devetsikiotos, J. Evans

- **Multimedia Technologies & Services**
  Co-Chairs: H. Yu, S. Wright

- **QoS and Performance Modeling**
  Co-Chairs: K. Asatani, N. Fonseca

- **Access and Home Networks**
  Co-Chairs: J. Baal-Schem, S. Bregni

We are also soliciting proposals for Tutorials/Workshops as well as for Panels and Applications Sessions focused on new products and services in telecommunications. Proposals are to be made to the respective chairs listed below.

**MANUSCRIPT SUBMISSION:**
Only electronic submissions will be accepted. Detailed instructions for paper submission will be posted on the www.icc2004.org web site.

**SCHEDULE:**
- Complete Manuscripts Due: 1 September 2003
- Notification of Acceptance: 15 January 2004
- Camera-Ready Manuscripts Due: 1 March 2004

**CONTACTS:**
- General Chair:
  Pascal Viginier,
  pascal.viginier@francetelecom.com
- Vice-Chair:
  Jacques Van Remortel,
  jacques.van_remortel@alcatel.be
- Technical Program Chair:
  Hikmet Sari, hsari@ieee.org

- Technical Program Vice-Chairs:
  Prosper Chemouil,
  prosper.chemouil@francetelecom.com,
  Pascal Lorenz, lorenz@ieee.org
- Tutorials/Workshops:
  Jean-Claude Bic, jean-claude.bic@enst.fr
- Applications Sessions/Panels:
  Georges Passet, gpasset@bouygues telecom.fr,
  Gael Serandour, gserando@bouygues telecom.fr
